Dear Guests,

**Your comments, suggestions and kind words over the years
have helped us not only stay in business, but
also stay ...fresh!**

Thank you for your patronage.

We have been celebrating the Italian gastronomy in Vermont since 1995. Here at Mimmo's, we want to create a unique dining experience; where great food, not only tastes good, but also is served and prepared with great ingredients and high standards.

For more than fifteen years we have strived to create a reputation of great food, family friendly atmosphere, nicely sized portions, reasonable prices and fast convenient service.

Growing up in Toritto (Bari) Italy, my brothers and I were taught many values by our elders. Food was always regarded as holy, to be respectful and to count our blessings. Many of the foods we serve today, were only for (Le Feste) the Italian holidays and whenever we had guests around the dinner table, my mother always made sure that we were all comfortable, the food was delicious and the highlight of the day. My mother (Filomena) selflessly would urge us to sit, while she would change plates and bring us one course after another. A meal was not just to feed our hunger, but nourishment for the body, spirit, and a cause for daily celebration with family and friends.

Those memories are what kindle Mimmo's desire to please our guests.

We wish to make Mimmo's your home away from home by serving you well and making every dining experience at Mimmo's memorable.

Grazie e Buon Appetito!

Domenico
